**Houston Texans Inside Linebacker Brian Cushing Hosts
Operation Holiday Hope**

HOUSTON – (December 16, 2015) – Houston Texans' inside linebacker Brian Cushing hosted six families from the Family Readiness Center on Tuesday evening for dinner at Del Frisco's for Operation Holiday Hope, a community outreach program of the Brian Cushing Foundation, whose mission is to serve and honor the men and women who protect our country by providing resources and experiences to Houston area veterans and their families.

Cushing then surprised the families with a shopping spree at Walmart, where each family member received \$250 to spend on Christmas Wish List items as well as a turkey from Guys Meat Market.
